UX DESIGNER | CONTENT CREATOR

## Experience

### SAVID DOMINICANA

#### Video Content Creator

Created all new video and photo content for Savid. This included voice-acting, cinematography and directing sometimes from a distance.

Jun 2019 - Present / Dom. Rep.

#### Web-designer

Web-designer for Savid, an organic banana exportation company located in Monte Cristi, Dominican Republic. They currently have no website where they can show customers their farms and ecological advancements in regards to sustainable farming.

Dec 2021 - Present / Dom. Rep.

#### Client and Social Media Manager

Jun 2021 - Present / Netherlands

Now the next step is to manage their social media such as linked in and YouTube. I also keep in touch with their clients in case they need any content.

### PEACE LEAF TOBACCO L.L.C.

#### Company Identity Designer

Jan 2020 - May 2020 / USA

Re-designed the company logo and went on to packaging and card design.

### QUAN WELL-BEING

#### Ux Designer

Jan 2021 - May 2021 / Netherlands

Intern at Quan for 16 Weeks for my graduation project. I was part of a product design team that worked with scrum. Main goal was creating the content page where users got suggestions that would help with their well-being.

## Education

### INTERNATIONAL SCHOOL EERDE

#### Igcse + International Baccalaureate

2013 - 2017 / Netherlands

My higher levels were in English, Spanish and Geography. My Standard levels were Math studies, Computer Science and Business Administration. Additionally, I also studied Art and German for two years in IGCSE.

### DBS BERLIN

#### Screen Acting Diploma

2017 - 2018 / Germany

1 year screen acting diploma in Berlin, Germany. There I learned the Instagram and outs of the film industry as well as basic skills in screen acting, voice acting, film directing and cinematography.

### THE HAGUE UNIVERSITY OF APPLIED SCIENCES

#### User Experience Design Bachelor

2018 - 2021 / Netherlands

2018 I started my UX Design bachelors in The Netherlands. As a 'smart society' kid I grew up with a lot of digital and online tools. In this bachelor I learned about human behaviour and how to understand what makes these products valuable. Between 2019 and 2020 I also got the opportunity to go to the University of Seoul for my exchange. There I learned a lot about asian/korean culture and the Korean Language.
